

John Hazel

Rushworth Chronicle

16 February, 1894

We have to report the death of a very old man named Hazel, who passed away after a long illness at Sailor's Flat, near Whroo, on Tuesday last.

Hazel had been for many years a shepherd for Mr G. Groves White. [Wanalta]

He was looked after during his indisposition by a daughter of Ah Cheong's, to whom it is said that he has bequeathed the sum of £300.

Whroo cemetery records list a John Hazel, aged 70, buried 15 February, 1894.
